

SPONSORSHIP AND EXHIBIT OPPORTUNITIES AVAILABLE

Join the Hall of INSPIRATION!

This is your chance to inspire attendees during the inaugural **American Society of Civil Engineers INSPIRE Conference** where there will be a variety of interactive events in the exhibit hall.

Join us as we launch the sustainable development goals-based ASCE Bookstore, highlight ASCE's Future World Vision 3-D Mega City 2070 virtual experience, host a federal agency hub and university hub, and much more!

Exhibitors who register by August 1 will save \$500 on a 10' x 10' booth!

Sponsorship Opportunities

ASCE invites you and your company to sponsor ASCE INSPIRE 2023. Show your support for civil engineers as we renew our call to action: Ensuring the built environment is safe, dynamically resilient, sustainable, future-ready, and adaptive to changing climate conditions.

Diamond Level Sponsor- \$30,000

- Opening Plenary (1 available)
- Closing Plenary and Awards (1 available)
- Welcome Reception in *Hall of Inspiration* (1 available)

Platinum Sponsor - \$20,000

- Mobile App (1 available)
- Conference Wi-Fi (1 available)
- Silent Disco (1 available)

Gold Sponsor - \$10,000

- Poster Session Pastries and Coffee (1 available)
- Friday *Hall of Inspiration* Networking Happy Hour (4 available)
- Key Cards with Sponsor Logo (1 available)
- Lanyards (1 available)
- Friday Morning Continental Breakfast (1 available)
- *Hall of Inspiration* Lunch (multiple available)
- Wall of Inspiration (1 available)
- Conference Padfolio and Pen (1 available)

Silver Sponsor - \$5,000

- Technical Tour (multiple available)
- Professional Headshot Hub (1 available)

Bronze Sponsor - \$3,000

- Networking Breaks (multiple available)

Copper Sponsor - \$1,500

- General INSPIRE Supporter (unlimited)

University Sponsors - \$5,000

Universities are encouraged to bring research students to present their work during exhibit hours or during the poster sessions. Each university will receive a 6' table in the University Hub, five (5) student registrations, and much more. *See the website for details.*

Company/Organization flex package - \$6,000

Flexible registration package: 4 flexible registration badges to share among your organization's employees. This includes access to all technical sessions, and much more. *See the website for details.*

Message from ASCE INSPIRE 2023 Chair

Dear colleagues, friends, and soon-to-be-friends:

The past three years have taught us individually and as a community that we can find our path through uncertainty and emerge on the other side even stronger. Our theme for ASCE INSPIRE 2023 is *Infrastructure Innovation & Adaptation for a Sustainable & Resilient World*.

The art of adaptivity for an uncertain future is the essence of INSPIRE. As Greek and Chinese philosophers said: we have to be like water in nature, flexible with a purpose and resilient, and to adapt to face any obstacles in our way. As the pace of change increases, the future also becomes more difficult to predict with the potential for turbulence, disruptions, deep uncertainty, and complexity. We may be able to project some developments and long-term states with some confidence, however what's to come can be highly variable and unpredictable.

ASCE INSPIRE 2023 is designed to bring together planners, engineers, researchers, technologists, infrastructure owners and operators, government agencies, financial entities, and other stakeholders to create conversations and educational opportunities to risks. These risks may include changes in the earth's temperature, increasing frequency of natural hazards, energy/water challenges, and the impact of sea level rise. ASCE INSPIRE 2023 will focus on innovative ideas for equitable, smart, hazard-resilient, people-centric infrastructure.

I am honored to be the ASCE INSPIRE 2023 Chair and to work closely with distinguished colleagues and leaders, and excited that I get to participate in shaping this event. If you also want to be part of it, please do not hesitate to reach out to me or the organizers. Whether a veteran or a new member, we need your input and collaboration. We have something special here with ASCE INSPIRE 2023—we can all feel it. So, let's define the future of our conference together and help set the course for our future world!

See you in the Washington metropolitan area in Crystal City, Virginia, November 16-18, 2023.

 Bilal M. Ayyub, Ph.D., P.E., F.SEI, Dist.M.ASCE
 ASCE INSPIRE 2023 Chair
